***If you are making an online payment to automatically restore recently suspended service, please note:**

- Payment must be made IN FULL for services to be restored. You can confirm full payment was received by viewing a \$0.00 account balance on the Home page of the BAREIS Member Portal.
- The automatic reactivation process takes 2 – 3 hours to complete. If you are not able to access BAREIS Plus more than 3 hours after making a full payment online, please call BAREIS Customer Service at 707-575-8000.
- The BAREIS reactivation process will only restore Supra service to an account that was in good standing with Supra at the time MLS services were suspended. If a Supra account is suspended by Supra for nonpayment, payment must be made directly to Supra to restore the Supra account. Payment information for Supra can be viewed within your eKEY app or by calling Supra at 877-699-6787.
