

## *GreatHomes.org*

GreatHomes.org® was one of the first MLS public sites in the nation, and continues to be a major source of information for the general public. The site is designed to drive the general public to you, the real estate professional.

### **Some features of GreatHomes.org® Include:**

**Photo Galleries** - Flash driven photo galleries.

**Mapping** - Listings with addresses are mapped.

**Open House Site** - Search for Open Houses in your area.

**Value my home** - We have a link to the Realist ValueMap service.

**Enhanced Find an Agent and Contact an Agent Feature** - Automatically links to your listings.

**Enhanced Find an Office and Contact an Office Feature** - Automatically pulls up all of the agents associated with the office and links to the listings held by the office.

**Statistics** - We are providing statistics from Clarus MarketMetrics®

**Links to Important Organizations** - Links to Association of Realtors® sites, County sites, etc.

**Unique Linked Search Features** - When looking at a listing, you can click on the zip code, city, or county and pull up all of the listings in that area.
