East Bay Regional Data	(925) 363-2330

Lockboxes:

The SUPRA iBox can be used in all of the Quattro data share counties. The iBox only holds one association code at a time.

If your iBox is programmed for your home MLS and you want it to work in another MLS’ county, than take the iBox to your home MLS and have it deprogrammed then take it to the other MLS service center and have it reprogrammed with their system code. (And vice versa.)

153 Stony Circle Suite 200
