Consistent Broker Tour Times in Marin

We have been challenged by our membership to see how we can support more consistent broker tour times throughout the county. MAR is asking agents to strictly adhere to keeping homes on tour open during the below times. This will ensure maximum exposure for sellers and achieve the level of consistency we are seeking. We also encourage our agents to hold homes longer or at least allow access via lockbox and note that in the broker tour comments.

Novato Tour (Wednesdays)	9:30am - 12:30pm
Southern Marin (Wednesdays)	10:30am - 2:00pm
Central Marin (Thursdays)	10:30am - 2:00pm

If you have any questions or you would like MAR President Yoko Kasai to speak at your office about these new times, please email President@MarinCountyRealtors.com.

Thank you!
