## **BAREIS MLS®** Export Contacts to CSV from Quattro MLS

1. On the Clarity dashboard, click on the Quattro icon.

From the top menu bar, click Contacts (1) and then select Contacts / Prospects (2) from the drop down.

- 6. The file may be in a compressed format called a **Zip**. All computers can unzip a file. We suggest unzipping the file and renaming it for ease of future use.
  - a. Double-click on the file to open it and then either unzip or extract the contents.
  - b. You will be given the ability to choose the destination. The default is always the current location of the zip.
  - c. We suggest renaming the file as: CSV\_Quattro
