

## **The Original Buy Sell!**

**Buy Sell is a monthly meeting held for Marin County real estate agents to network and share upcoming listings, open to all brokerages. This is the original Buy Sell that was started over 30 years ago by Bill McKeon and is the largest meeting of it's kind in Marin.**

**Each meeting features a slide show of new, revised and off marketing listings, providing agents an opportunity to pitch their listings in person. If you can't email your information in time for a slide to be produced, you can write it on a flipchart before the meeting begins. The meetings also include presentations by Steve Dickason about real estate statistics & trends, the economy, financing, and more.**

**The meeting is typically held on the second Monday of each month at noon - a light lunch is served.**

**As of 2019, the current location is the Best Western Corte Madera Inn.**

**Please join the mailing list to learn more. You will be alerted of every upcoming meeting, receive a submission request to add your listing information, and receive a follow up email with every listing presented at the meeting - including the flipchart properties.**

**To be added to the mailing list or for any other questions, please contact:**

**Steve Dickason at [stevendickason@comcast.net](mailto:stevendickason@comcast.net)**

**Thank you and we look forward to seeing you at the next Buy Sell!**
