

The Original Buy Sell!

Buy Sell is a monthly meeting held for Marin County real estate agents to network and share upcoming listings, open to all brokerages. This is the original Buy Sell that was started over 30 years ago and is the largest meeting of its kind in Marin.

Each meeting features a slide show of new, revised and off marketing listings, providing agents an opportunity to pitch their listings in person. The meetings also include presentations by industry experts about real estate statistics & trends, the economy, financing, and more.

The meeting is typically held on the second Monday of each month at noon.

As of 2018, the current location is the Best Western Corte Madera Inn.

Please join the mailing list to learn more. You will be alerted of every upcoming meeting, receive a submission request to add your listing information, and receive a follow up email with every listing presented at the meeting.

To be added or for any other questions, please contact:
